6	Planning Matters <u>APPLICATIONS</u> APPLICATION FOR DISCHARGE OF CONDITIONS Reference No: DISCN/00379/18 at Nellands Cottage , Featherbed Lane, Ilmington, CV36 4NE - <i>Related Application Reference: 18/00676/FUL</i> An application has been received for the discharge of condition attached to the above permission dated 2 August 2018. The planning department has introduced a new procedure where Parish Councils will be consulted when a discharge of condition application is submitted for stone samples/panels, allowing the Parish Council to make comment on the stone proposed. I would be grateful if you would let me know if you have any comments regarding the use of this stone by 5 November 2018 . Comments received after this date will not automatically trigger a committee decision. It was resolved that Cllrs Hawkins and Davies will undertake a site visit to view the sample and report back to the IPC Planning Working Group. 18/02889/TREE Proposed: T1 - yew- Fell at Baytree Barn, Front Street, Ilmington, Shipston CV36 4LN Comments due by: 22 October 2018 . It was resolved that the amended application to fell a cypress and retain the yew tree be supported. 18/02898/TREE Proposed: G15 - rowan ash - Crown reduction of 5 metres, at a height of 6-8 metres. Fell 4 smaller trees, maximum height 10 metres. G12 - horse chesnut – Crown reduction of 5 metres at height of 10 metres. Fell 2 dead trees. Fell 3 smaller trees approx trunk diameter 150 mm, approx height 5 metres. T1 - Fell dead tree. Height approx 4 metres. At Holly Bush House, Middle Street, Ilmington CV36 4LS Comments due by: 23 October 2018 . A “no representation” had been submitted. 18/02097 – 4 Washbrook Place – correspondence from Planning: In order to carry out the application a tree to the front of the property would need to be removed, and this tree is owned by the County Council. The applicant will also need to seek permission from WCC to remove this tree, and it has been indicated that it is likely the applicant will need to plant, or fund the planting, of at least 2 more trees to compensate for the loss of this tree. The details of this would be arranged by WCC forestry not the district council however.

With this consideration, is it acceptable that I approve the application through delegated powers, and the objection to the removal of this tree is withdrawn? I am happy to discuss this issue further if desired. It was **resolved** that the objection be withdrawn on the basis of the statement made by the Case Officer.

Cllr Hawkins referred to the creation of a driveway at 7 Washbrook Place for which the kerb has not been lowered. Cllr Hawkins will make an informal visit to the householder alerting them to the fact that they should make a formal application to lower the kerb.
