Dear Sir /Madam

**C48 Stratford Road – Drainage and Carriageway Resurfacing Works**

**Due to unforeseeable materials delivery problems, the resurfacing works will be reprogrammed to start on Tuesday 14<sup>th</sup> December.**

The site extends from the speed limit signs to and including the junction of Front Street and Armscote Road. (see drawing)

This work will be carried out under a 24hr road closure. However, we will endeavour to open the road each night after work. There is no weekend working planned. Works on site will be 09:00 to 15:30hrs approx.

Access to properties and businesses within the works will be maintained from one end of the road or the other, where practical. Access to properties outside of working hours will be as normal. Pedestrian access will be available at all times.

A diversion route will be signed.

<b>Tues 14<sup>th</sup> Dec.</b>	Remove existing road surface and lay 1 <sup>st</sup> layer of new road surface.
<b>Weds 15<sup>th</sup> Dec.</b>	Final road surface laid.
<b>Thurs 16<sup>th</sup> Dec</b>	Finishing works and Road markings.

Please drive slowly through works.

Please be aware of temporary road surfaces and raised ironwork.

There will inevitably be some disruption to households/businesses, but every effort will be made to keep this to a minimum.

If you require any further information or wish to discuss the works please contact
